SUNDAY

Easter is a time of increased openness to the gospel and interest in church. Ephesians 4:11–12 tells us God has appointed you “to equip his people for works of service,” and WMU wants to help! Good News Sunday is a churchwide opportunity to mobilize believers of every age and experience level to share the gospel before Easter.

The Gospel of John in a New Format

The Readable Bible is a word-for-word translation formatted for those unfamiliar with Scripture. Maps, illustrations, and footnotes are included alongside the text to illuminate the story, with special attention given to an exploration of Jesus’ final days before His Crucifixion.

This beautiful WMU gift edition is designed to attract the attention of your congregation’s friends, neighbors, and family to the One who alone has the words of eternal life.

Sow Seed and Trust the Lord of the Harvest

Putting the Word of God into someone’s hands is an act of faith that can change more than one life. Join with churches across the country as believers of every age saturate schools, businesses, and homes with the gospel during WMU’s Good News Sunday! Our prayer is that through this small book God would save the lost and grow your church by one step in your comfort and excitement to share Christ with your community.

For I am not ashamed of the gospel, because it is the power of God that brings salvation to everyone who believes.

—Romans 1:16
